The Notice of Non-Compliant Amendment

In the Notice of Non-Compliant Amendment mailed January 9, 2006, it was indicated that "Allowed" is not a status identifier. Consequently, Applicants were given a one-month response period during which to supply a corrected "Amendments to the Claims" section. Provided above is the corrected "Amendments to the Claims" section, in which the statuses of claims 37-39 are now identified as "Previously Presented".

Conclusion

Applicants submit that all of the claims are in condition for allowance, which action is requested. If the Examiner finds that a telephone conference would expedite the prosecution of this application, please telephone the undersigned at the number provided.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-2653, order number GUID-118.
